

NIMS-CU Workgroup Update: AZ Regional All-Hazards COML Applications

Presented to SIEC – March 13, 2012

Jesse Cooper
Workgroup Member

Public Safety Interoperable
Communications Office

Overview

- Application Review Meeting
- Meeting Results
- Next Steps

Application Review Meeting

- The Workgroup convened on Tuesday, February 28, 2012 for an Arizona Regional All-Hazards Communications Unit Leader (COML) Application Review Meeting.
- 4 applications that had been received by the PSIC Office and distributed prior to the meeting were considered individually.
- Taskbooks were evaluated by the Workgroup based on the number, depth and complexity of the incidents/events listed.
- As required, a minimum of 3 Workgroup members actively participated in each applicant-related action.
- 1 Workgroup member submitted application materials for consideration, and he abstained from any processing of his own application materials.

Meeting Results

- 4 applicants were granted recognition by the Workgroup as Arizona Regional All-Hazards COMLs:
 - **Alan Jensen**, City of Tempe Fire Department
 - **Jerry Justus**, Arizona Division of Emergency Management
 - **Gary Rose**, 161st Air Refueling Wing
 - **Dan Wills**, Arizona State Forestry Division
- A letter confirming recognition as an Arizona Regional All-Hazards COML was sent to each applicant and copied to their Agency Certifying Official.
- The individuals were added to the Arizona Regional All-Hazards COML Resource List, which is posted on the PSIC Website at: <http://www.azpsic.gov/library/coml/>. Currently, 14 individuals from 4 counties have been granted recognition.

Next Steps

- The PSIC Office will continue to review submitted application materials for completeness and distribute them to the Workgroup for consideration.
- The next Application Review Meeting will occur approximately 2 weeks prior to the May SIEC meeting if necessary. Complete application materials are due to the PSIC Office at least 1 week prior to the Application Review Meeting to be included for consideration.

Further Discussion; Questions?

Thank You!
